Hello and thank you for visiting our site!

Welcome to the United Community Health Center (UCHC). UCHC is one of fourteen Federally Qualified Health Centers (FQHCs) within the State of Iowa, primarily covering Buena Vista and Sac Counties. However, all patients are welcome, no matter where you live. We have been growing and developing within the Storm Lake region since we opened in March 2006.

United Community Health Center is privileged to serve our patients and community using a culturally diverse and experienced team of clinicians and other professional staff. We are also proud to have productive community, state, local and national partnerships that continue to enhance our ability to perform our work and thus increase our capacity to bring resources to you.

We are truly committed to provide comprehensive and culturally appropriate primary and preventive health care services for your entire family. Our medical and dental teams will make sure you are well taken care of and also, work very hard to achieve your satisfaction as a patient.

Care received at UCHC is not free – it is however, very affordable. UCHC provides a way for patients to see a doctor, or dentist on a sliding fee scale that doesn't rely on insurance status. We encourage all patients whether you are uninsured, underinsured, or fully insured seeking a Medical Home to consider us as your primary care provider. We are confident that you will find our providers and staff, as dedicated, qualified and as caring as you will find in primary care.

With busy schedules in mind, we have convenient hours of operation including early morning, extended weekday, and Saturday morning hours. Come visit us at 715 W. Milwaukee in Storm Lake, IA or call us to make an appointment at (712) 213-0109.

United Community Health Center is a partner in finding the answer to our overwhelming health care crisis. Working together for health... making a difference, one patient at a time. We look forward to serving you.

Sincerely,

Richard K. Gehrig

Richard K. Gehrig
